

Second Cohort of Pre-Varsity Students Complete ICT Training

The second cohort of 84 pre-university students have successfully completed the JKUAT-Zalego ICT Youth Innovation Programme, May 31, 2019. The five months' programme, organized by JKUAT's ICT-Research, Consultancy and Training Department in partnership with Zalego Institute of Technology and Innovation, also saw the introduction of Student award categories. The categories, recognising students' exemplary ideas and projects during the programme were; Most Innovative Project, Most Outstanding Developer, Best Project Idea, First to Market and Most promising Student. <http://www.jkuat.ac.ke/second-cohort-of-pre-varsity-students-complete-ict-training/>
